

Enjoy Outdoor Gatherings In Style

Bring the soiree outside when the temperature is right. A stylish and functional gazebo in your backyard becomes a fabulous dining center, a family gathering place or a refreshing retreat. Enhance your landscape design with the addition of one of these and many other handsome structures. Spiritelements.com offers an expansive and magnificent gazebo collection, providing you with an opportunity to add some relaxation in your lifestyle and extend your indoor entertainment to the outdoors.

Whether you're looking for a traditional gazebo or a spectacular statement of unconventional style, you'll find the finest collection of quality and value, designed to make a statement about who you are. The skills of a master craftsman are not required to achieve the magnificence of centuries-old charm with one of Spirit Element's gazebos.

ELEGANT OPEN-AIR ENTERTAINING

Imagine a soft breeze blowing as you have an evening supper or intimate cocktail party just outside your door. The Garden Pavillion enjoys a long tradition of providing elegant space for enjoying a wide variety of outdoor activities.

Light-weight, attractive and long-lasting, the pavilion frames are strong and durable, made from heavy-walled, extruded, powder-coated aluminum. The canopy fabric is made from 100-percent solution-dyed acrylic fibers; it is also 100-percent opaque, waterproof and protects against UV rays, wind and rain. Optional fabric curtains, dual curtain rods, mosquito netting and full plastic curtains are available.

The Garden Pavillion gazebos range in price from \$2,879 to \$3,439.

CLASSIC BACKYARD ACCENT

The elegant Queen Anne is a wonderful place to relax and enjoy good conversation or take in the beauty of the sunset. According to Spirit Elements, many marriage vows have been exchanged under the broad roof of this romantic gazebo model. Specially curved balusters and arched accents make this a masterpiece of Victorian design. Cabinetmaker joinery with computer-aided engineering and completely panelized, all components are pre-fabricated from kiln-dried Western red cedar for easy assembly. The standard Queen Anne gazebo includes wall panels, two-tiered roof and cupola. The 15-foot Queen Anne gazebo shown here includes an upgrade package that with a floor system, lattice around the gazebo base, and a genuine copper roof.

The 15' Queen Anne gazebo is priced at \$11,929

LUXURY GARDEN RETREAT

Retreat to the yard in spring, summer or fall in this magnificent, rustic Glass House. The octagonally shaped, 15-foot model shown here creates a serene, beautiful retreat with all the serious design elements of a well-constructed home, with 147 square feet of space. The model here has been customized with a third roof tier and custom copper wind vane. Other highlights of the Glass House include sliding windows and screens and a gently curved roof with Western red cedar "Perfection" shingles. Constructed with the finest grade-A cedar, it can withstand the damaging elements of weather, sun and insects.

The Glass House gazebo is priced at \$25,399.

LIFESTYLE AL FRESCO

With over 143 square feet of space, this rugged and attractive Hambleton Hexagon gazebo provides an attractive setting for a large dinner gathering or children's birthday party. Its cast aluminum frame is rust-proof, has a durable powder-coat finish and is assembled with stainless steel hardware. The canopy features water-repellant Sunbrella® fabric. Buyers may choose from over 50 canopy colors and six frame colors. Options such as bug screens, sun screens, wind screens and privacy panels are also available. The Hambleton gazebo shown here has a toast-colored canopy, black frame and Victorian-style railings. The Malibu upgrade version features a striking rail pattern and two-tone canopy tailored with a linear valance.

The 14' 10" Hambleton gazebo is priced at \$4,899.
